	DWS POLICY STATEMENT NUMBER: PS 11-2016
	Date: October 24, 2016
	Subject: NCWorks Mobile Career Center No Cost usage Agreement and Fee-for-Use Schedule
	From  10/25/16 <u>William H. Collins, Jr., Assistant Secretary for Workforce Solutions</u>

Purpose: To provide guidance on the NCWorks Mobile Career Center’s expanded no cost usage agreement and update fee-for-use schedule. To rescind DWS PS 09-2015 “Mobile Unit’s expanded no cost usage agreement and updated fee-for-use schedule. “

Background: The North Carolina Division of Workforce Solutions and the Northwest Piedmont Workforce Development Board have agreed on the NCWorks Mobile Career Center’s expanded no cost usage and lowered fee-for-use schedule that applies to the Unit owned by either the Division or Workforce Board. The Division has further entered into an agreement with the Board to provide Rapid Response, Business Connections and Community Resources to designated areas of the state with their respective Mobile Unit. Please see attachment 1.

Rapid Response services are defined as activities that are necessary to establish comprehensive services from a general business announcement or a WARN notified layoff, downsizing, and/or business closure. Rapid Response services are also provided to workers displaced due to a natural disaster. Some career services provided at Rapid Response related events may include employee orientation sessions, Job Seeking Skills Workshops, job and community resource fairs, NCWorks online registration and humanitarian assistance to help survivors of natural disasters. Rapid Response services that incorporate the use of a Mobile Unit that meet this definition will be provided at no cost to Workforce Development Boards.

Workforce Development Boards may use the Mobile Unit at no cost for Business Connections to assist new and existing industry with job recruitment, training, job retention and layoff aversion. This may include outreach, assistance with online employment applications, testing and screening, new employee orientation, on-the-job training or incumbent worker training.

Workforce Development Boards may use the Mobile Unit at no cost to provide Community Resources for dislocated workers that include returning military service members. Such services may include a job and community resource fair, health fair, Job Seeking Skills Workshops, NCWorks online registration and veteran services. Any Community Resources event that serves a population other than dislocated workers will adhere to the lowered fee-for-use schedule as defined in attachment 2. The fee-for-use schedule was lowered to encourage Workforce Boards to provide Community Resources and host urban or rural events for youth, unemployed or underemployed adults, homeless veterans, former offenders, economically disadvantaged or adults with significant barriers to employment.
