

NCWorks Partnership Conference

October 5 - 7

SHERATON FOUR SEASONS

Greensboro, NC

www.ncwtc.com

Date XXX

Dear XXXX:

I am pleased to share that the 29th annual NCWorks Partnership Conference is scheduled for October 5 - 7, 2016 at the Sheraton Four Seasons / Koury Convention Center in Greensboro. Each year this event brings together nearly 1,000 workforce professionals from across the state to network, learn new skills, and celebrate collaborative achievements. I invite you to support this event by encouraging your staff and affiliated partners to make plans to attend.

This year the conference theme – *Collaborate to Innovate* – reflects our focus to elevate and enhance existing partnerships in service, to move from partnership to meaningful collaboration, and to identify innovative solutions.

With three general sessions, over 55 breakout workshops, and a variety of networking opportunities, the conference offers a unique learning and capacity-building environment.

Please review the attached preliminary agenda and help us spread the word about this affordable and beneficial event by disseminating this information throughout your organization and your broader network. Please direct any questions to the NCWorks Training Center at ncwtc@nccommerce.com or 919-814-0399.

Together we can more effectively and efficiently provide meaningful workforce services to our citizens and businesses, contributing to the economic strength of North Carolina.

Yours in partnership,
XXXX
