

*Career Advising across Agencies
NCWorks Partnership Conference
October 5, 2016*

NC Department of Public Instruction (NCDPI) Career Development Coordinators (CDCs)

- **Career Technical Education (CTE)**
- **National Career Development Association (NCDA) Facilitator – 12 competencies**
- **Middle School & High School**
 - Support & Collaborate with School Counselors
 - Support CTE teachers & students 6-12
 - Support Career Development Curriculum
 - Explore Career Pathways
 - Provide Business & Industry connection
 - Prepare for World of Work
 - Support Work-based Learning
 - Promote Postsecondary options
 - Support ACT National Career Readiness Certificate

NCWorks Career Coaches

(partnership between community colleges & schools)

Community college staff working at 1-2 high schools who...

- work closely with CDCs and high school counselors
- help students make informed academic & career decisions
- connect students to career pathway programs that lead to valuable credentials, without unnecessary detours, and supports them
- connect with local business and industry to link student interest to job opportunities

NC Community College System (continued)

• **Student Services**

- Joint academic and career advising, with student supports
- Career exploration built into a first year experience course (“ACA”) that some colleges require

• **Human Resources Development (HRD)**

- Career exploration – a major aspect of HRD courses, which focus on needs of the unemployed
- Some NCWorks Career Centers have HRD career exploration/services onsite
- HRD is part of Continuing Education and is often built into job training programs

• **Adult Basic Education/English Language Acquisition** based on WIOA integrated career/skills instruction

NCWorks Career Centers, NCW Online, WDBs

• **NC Works Career Centers**

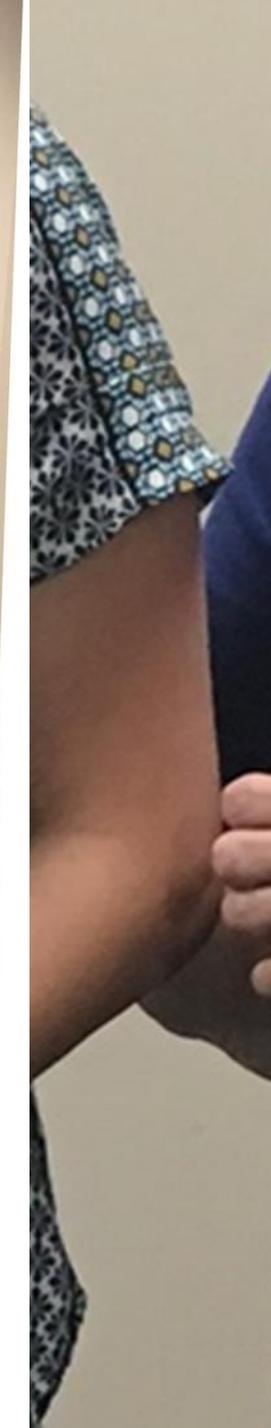

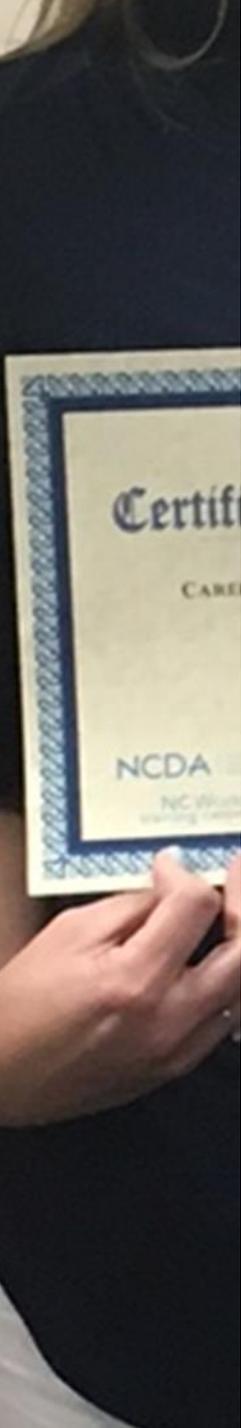

- Extensive career advising as a primary service
- Direct services + connections to career advising partners serving specific populations or offering complementary services

• **NCWorks Online**

- Complements F2F services in NCWorks Centers
- Tools accessible to customers and partners

• **Workforce Development Boards' career development initiatives**

- Example: Career Development Facilitator training
